MUNDELL OCT 2 5 2005 MARC SPITZER MIKE GLEASON DOCKETED BY KRISTIN K. MAYES 6 7 IN THE MATTER OF THE APPLICATION OF DOCKET NO. W-01676A-04-0463 PINEVIEW WATER COMPANY, INC. FOR AUTHORITY TO ISSUE PROMISSORY NOTE(S) AND OTHER EVIDENCE OF INDEBTEDNESS PAYABLE AT PERIODS OF MORE THAN TWELVE MONTHS AFTER THE DATE OF 10 ISSUANCE. 11 IN THE MATTER OF THE APPLICATION OF DOCKET NO. W-01676A-04-0500 PINEVIEW WATER COMPANY, INC. FOR AN DECISION NO. 68244 12 INCREASE IN ITS WATER RATES FOR CUSTOMERS WITHIN NAVAJO COUNTY, 13 ARIZONA. ORDER AMENDING DECISION NO. 67989 14 Open Meeting 15 October 18 and 19, 2005 Phoenix, Arizona 16 BY THE COMMISSION: 17 Having considered the entire record herein and being fully advised in the premises, the 18 Arizona Corporation Commission ("Commission") finds, concludes, and orders that: 19 FINDINGS OF FACT 20 On June 18, 2004, Pineview Water Company, Inc. ("Pineview") filed the above-1. 21 captioned application with the Arizona Corporation Commission ("Commission") for authority to 22 issue promissory note(s) and other evidences of indebtedness payable at periods of more than twelve 23 months after the date of issuance not to exceed \$730,978. 24 On July 9, 2004, Pineview filed the above-captioned rate application with the 2. 25 Commission. 26 The matters were consolidated on January 12, 2005. A hearing was held on the 3. 27 consolidated applications on February 24 and 25, and March 3, 2005. 28

- 4. On July 18, 2005, the Commission issued Decision No. 67989 in the consolidated dockets. Among other things, the Decision authorized Pineview to issue up to \$577,578 in long term debt from the Arizona Water Infrastructure Financing Authority ("WIFA") on the terms proposed by Pineview, for a term not to exceed twenty years and at an interest rate not to exceed 4.20 percent, for the purposes of funding capital projects as described in Findings of Fact No. 38 of the Decision.
- 5. Pineview filed exceptions to the Recommended Opinion and Order in this proceeding, but did not take exception to the fact that the Recommended Opinion and Order granted the interest rate the Company requested.
- 6. On August 25, 2005, Pineview filed a Motion for an Order Nunc Pro Tunc ("Motion"). Pineview states in the Motion that the applicable WIFA interest rate is no longer 4.20 percent, but is now instead 6.20 percent, and requested the issuance of an Order Nunc Pro Tunc to change the authorized interest rate on the financing approved in Decision No. 67989.
- 7. On September 15, 2005, Staff filed a Response to the Motion, objecting to the issuance of an Order Nunc Pro Tunc on the grounds that Pineview's request constituted more than the correction of a typographical or stenographical error.
- 8. On September 9, 2005, Pineview filed a Motion to Amend, Withdrawal of Request for an Order Nunc Pro Tunc, and Request for Expedited Processing ("Second Motion"). The Second Motion states that WIFA advised Pineview that funds currently available cannot be obtained within the interest rate authorization set forth in Decision 67989; WIFA advised Pineview that the interest rate is currently, and typically has been, at the Prime Rate plus 2 percent. Pineview states that the interest rate formula now requires a 6.38 percent interest rate. Pineview asserts that the increase in the interest rate will not substantially or adversely impact its cash flows, its ability to perform under the loan, or its ability to fulfill its public service obligations.
- 9. The financing authorization granted in Decision No. 67989 was based on the financial analysis of the Commission's Utilities Division Staff ("Staff"). Staff's recommendation was that the requested financing be approved "on the terms and conditions consistent with or better than those used in Staff's pro forma analysis" (Exh. S-2, Direct Testimony of J.H. Johnson, at 2). Staff's pro

forma analysis was based on an interest rate of 5.60 percent (Exh. S-12, Exhibit A Memorandum at 2).

- 10. On September 15, 2005, Staff filed a Staff Report recommending approval of Pineview's request to amend Decision No. 67989.
  - 11. On September 19, 2005, Staff filed an amendment to its Staff Report.
- The Debt Service Coverage ("DSC") ratio represents the number of times internally 12. generated cash will cover required principal and interest payments on long-term debt. A DSC ratio greater than 1.0 means that operating cash flow is sufficient to cover debt obligations. A DSC less than 1.0 means that debt service obligations cannot be met from operations and that another source of funds is needed to avoid default.
- 13. The Times Interest Earned Ratio ("TIER") represents the number of times earnings will cover interest expense on short-term and long-term debt. A TIER greater than 1.0 means that operating income is greater than interest expense. A TIER of less than 1.0 is not sustainable in the long term but does not necessarily mean that debt obligations cannot be met in the short term.
- Staff's recalculation of Pineview's pro forma TIER and DSC using Pineview's 14. interest rate of 6.38 percent as proposed in the Second Motion shows a pro forma TIER of 1.05 and a revised pro forma DSC of 1.97. Based on its analysis, Staff determined that the revenues approved in Decision No. 67989 are sufficient to cover the \$577,578 WIFA loan at an interest rate of 6.38 percent.
- 15. Based on its review and analysis, Staff concluded that issuance of debt in the amount of \$577,578 at an interest rate of 6.38 percent is within Pineview's corporate powers, compatible with the public interest, compatible with sound financial practices, and will not impair its ability to perform service.
- Staff recommends granting Pineview's request to authorize an interest rate of 6.38 percent instead of the 4.20 percent authorized in Decision No. 67989, on the financing approved in that Decision.
- 17. Staff's recommendations are reasonable and in the public interest and should be adopted.

18. Aside from the change in the authorized interest rate, the financing authorizations approved in Decision No. 67989, the associated filing requirements, and all other Findings of Fact and Conclusions of Law set forth in Decision No. 67989, should remain otherwise unchanged.

## CONCLUSIONS OF LAW

- Pineview is a public service corporation within the meaning of Article XV of the 1. Arizona Constitution and A.R.S. §§ 40-281 and 40-282.
- 2. The Commission has jurisdiction over Pineview and the subject matter of the application.
- 3. It is in the public interest to amend Decision No. 67989 for the sole purpose of authorizing WIFA's current interest rate of 6.38 percent in place of the 4.20 percent interest rate requested in the financing application.
- The amendment approved herein does not change the findings of Decision No. 67989 that the financing approved therein is for lawful purposes within Pineview's corporate powers, is compatible with the public interest, with sound financial practices and with the proper performance by Pineview as a public service corporation, and will not impair Pineview's ability to perform that service.
- 5. The amendment to Decision No. 67989 approved herein does not change the findings of Decision No. 67989 that the financing approved therein is for the purposes of funding capital projects as described in Findings of Fact No. 38 of Decision No. 67989, is reasonably necessary for those purposes, and such purposes are not wholly or in part reasonably chargeable to operating expenses or to income.
